11 December, 2021

Respected Prime Minister, Shri Modi ji,

Re: Investigation Commission for Osho Ashram, Pune

Today on 11 December 2021, sannyasins (disciples) of Osho resolved the following at Osho Dham after meditation and celebrating the 90th birthday of our beloved Guru Osho, sannyasins (disciples) resolved the following at Osho Dham, New Delhi, for your attention and action.

RESOLUTION BY THE DISCIPLES OF OSHO

On this historic and auspicious landmark of 90th birthday of our beloved Guru Osho, all Osho sannyasins and lovers rededicate ourselves to his vision of meditation and celebration in our daily lives.

We are filled with gratitude to our Guru today. At this time, we are also distressed to know about the Sale of Osho Ashram in Pune and make an appeal to you, The Hon Prime Minister and The Hon Home Minister to appoint a Commission of Inquiry into the working of all the Trusts of Osho Ashram in Pune.

The following illegal and unwarranted activities have come to light which are compelling us to seek your intervention by the Prime Minister.:

Financial Fraud

Hundreds of Crores of Rupees are unaccounted as no receipts are issued for Entry or Participation Fees.

Siphoning of funds upto Rs 1,800 Crores from the Trusts to private companies. Numerous Court cases pending. Money Laundering – Getting donations and payments in foreign currency abroad.

Editing His Books

His books have been edited for sale and profit even when Osho had always wanted that His words should never be edited.

Smuggling Osho's personal items abroad

Smuggling out of the ashram personal valuable items of Osho e.g. robes, watches, books with Osho paintings.

Samadhi Denial

After Osho left His body, the ashes were kept under His bed and the room was called Samadhi as per His wishes. But the management is denying that there is any Samadhi.

Forged Will

A forged Will of Osho was made by the same group to support its claims in a court in Spain.

Intellectual Property

The copyright of all Osho's Intellectual Properties has been registered overseas and the high income from publishing is deposited overseas.

Selling Ashram Properties

The immediate cause of concern is the attempt to sell Ashram property to Bajaj Industries' Shri Rajiv Bajaj.

Osho lived in the Pune ashram for most period of time. The Ashram is a place revered, not only by Osho sannyasins, but is sacred too for humanity. Osho was a rare mystic, a giant of the Indian heritage.

We are doing all we can to prevent the sale and to promote free access to the samadhi of our beloved Guru. All of our efforts till now have not yielded results so we reach out to you.

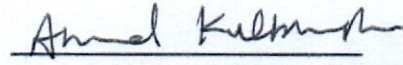

The loss to humanity would be irreparable if any part of this Ashram be sold or any corruption be ignored. We trust in your wisdom and sense of justice to look into the matter and save this ashram which has and will continue to transform many. Looking at the serious nature of above, we earnestly urge the beloved leader of India Shri Narendra Modi ji, Prime Minister, to set up Inquiry Commission by the Govt of India to investigate the Trusts.

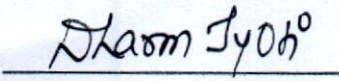

Above resolution passed unanimously in Osho Dham, New Delhi

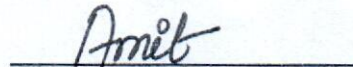

We the disciples of Osho repose faith in you Modi ji. Thanking you in anticipation.

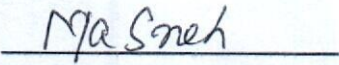

With thanks and love
